

Internship Proposal

From

Li Creative Technologies
J Plaza, Near Indira Gandhi Statue
Pondicherry

To

The Placement Officer,
Sri Venkateshwaraa College of Engineering and Technology
Ariyur
Pondicherry

Li Creative Technologies are excited to extend an offer to your college students for an internship programme. During the internship, we are committed to provide every opportunity to learn, grow and stretch to the highest level of ability and potential of your students.

We will be happy and looking forward to train your students to work together to provide innovative and creative products in web technology. which are extremely helpful in their career.

This position is scheduled to begin and will be a three month paid internship opportunity. For the First three months they will be paid 3000 as a stipend. Once they have successfully finished their internship, Students will receive a certificate. Based on your students' performance during the internship program we will hire them as permanent employee
