REPORT

Academic Year:2018-2019

Department:CSE,MECH,EEE,ECE,CIVIL

Trainer Name: Mr.Sanjay,Ms.Priya

Name Of The Program: Soft Skills

This Soft skills training is training that focuses on the development of abilities such as communication, teamwork and problem solving as opposed to hard skills which focus on an employee's technical ability. About 93 students of II year students were registered and attended a six-day soft skills training that spanned from 2-07-2018 to 07-07-2018, and the results were truly transformative. The course is planned for 12 sessions. Topics covered in those 6 days were given below:

Day 1: Team work and Team building & time management: They were to conduct regular team-building activities and workshops. They had to teach that time management is crucial for meeting deadlines, reducing stress, and achieving work-life balance

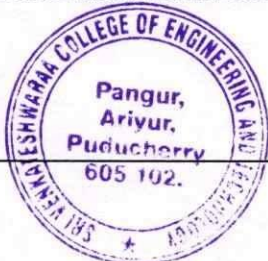

Day 2: Presentation skills & Public speaking- Develop participants' confidence in public speaking. Enhance participants' ability to structure and organize presentations effectively.

Day 3: Creative problem solving & Interpersonal skills- To develop participants' creative problem-solving skills. To enhance participants' interpersonal communication and relationship-building skills and also foster a collaborative and innovative work environment.

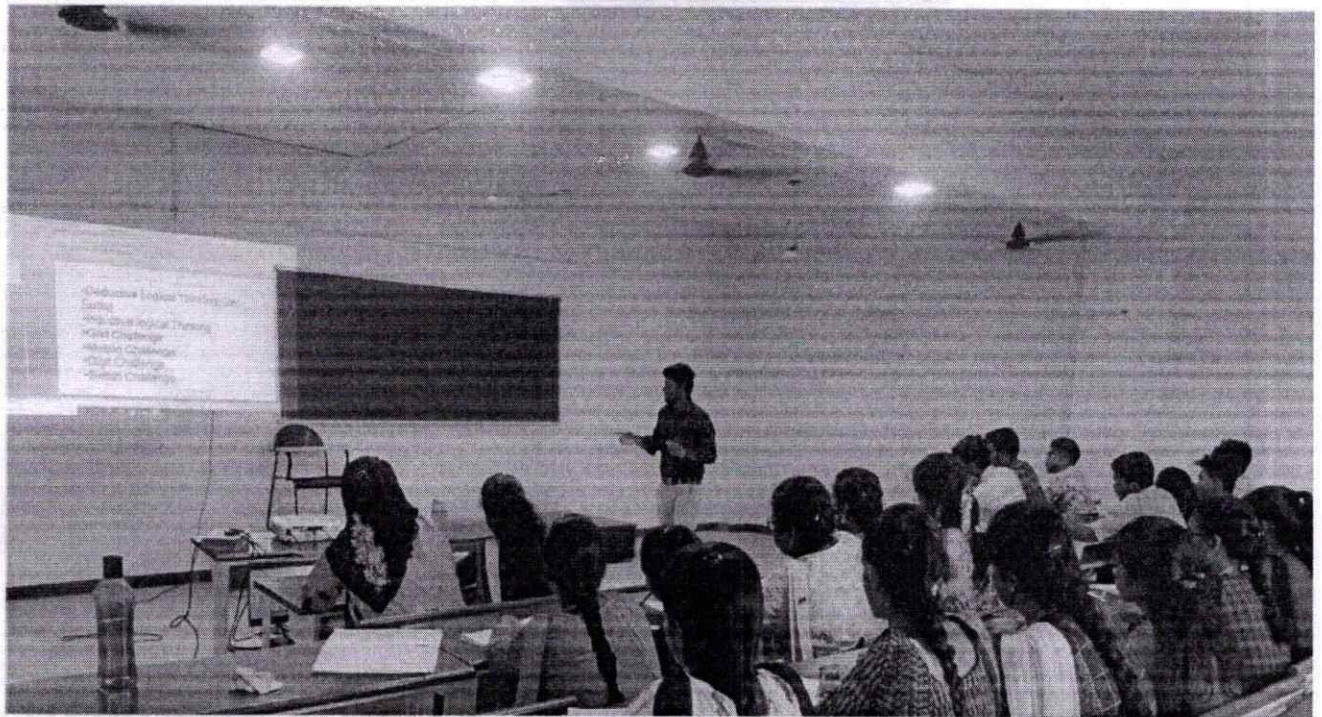

Day 4: Stress management, Goal setting and Getting things done- They assisted participants in setting clear and achievable goals. To teach participants effective time management and productivity improvement techniques. To encourage participants to apply the learned concepts in their personal and professional lives.

Day 5: Body language skills & Organizational skills- To enhance participants' understanding of body language and its significance in effective communication. And equip participants with practical skills to improve their organizational abilities and time management.

Day 6: Work ethic & Emotional intelligence- they conducted some program which was In-person and virtual training sessions, Expert facilitators and trainers, Case studies and real-life scenarios, Group activities and discussions. Self-assessment tools and resource
