1. Scope

This Memorandum of Understanding ("MoU") is entered into by and between

CHG IT CONSULTANCY PVT LTD., (CIC)STPI Technology Incubation Centre,
2nd Floor, No.5, Rajiv Gandhi Salai, Taramani, Chennai – 600113, Tamil Nadu.

and

SRI VENKATESWARAA COLLEGE OF ENGINEERING & TECHNOLOGY
(SVCET)

No.13A, Pondy-Villupuram main road, Ariyur, Puducherry- 605102.

WHEREAS:

This MoU is agreed between **SVCET** and **CIC** and both of them believe that Industry-Academia Interaction is the most preferred activity for mutual benefit and growth of industries as well as the academic institutions.

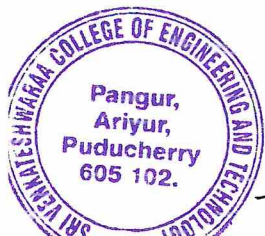

2. Statement of Work

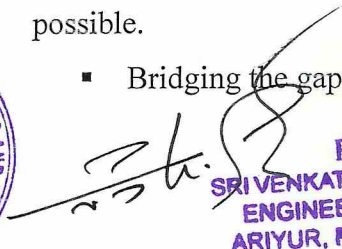

This MoU is signed for providing the best platform to improve the teaching-learning process by integrating industrial training, showcasing the best practices, latest technological advancements, their implementation and its impact on the industry. It can also increase the research and development activities in both industry and academia which further leads the nation to grow technologically and socioeconomically. Also, this interaction promotes industry experts to participate in curriculum design which plays a significant role in preparing the students ready for the industry and to cross-fertilize the ideas for the improvement of the system.

3. Activities

The parties herein now intend to enter into this MoU to facilitate the following activities through orientation and development for their mutual benefits as suitable as possible.

- Bridging the gap between Industry and Academia.

Authorised Signatory

- Sharing the experience and expertise between Institution and Industry for mutual benefits.
- Organizing technical events/programmes/courses with joint participation of the faculty and the industries.
- Encouraging engineers from industry to visit engineering institution to deliver lectures.
- Developing international standard of work culture among students.
- Facilitating industrial training, internship and placement for students.
- Fostering research work and develop laboratories, discussions and delivering lectures on industrial practices, trends and experiences.

4. Term of MoU

Therefore, SVCET and CIC recognized that mutual collaboration, given each other's strengths in knowledge sharing, thereof, will mutually benefit the students and faculties of SVCET and the industry.

5. Dispute Resolution

In the event of any dispute, controversy or claim arising out of or relating to this Agreement or any subsequent amendments to this Agreement including, without limitation, the breach, termination, validity or invalidity thereof, or any non-contractual issues relating to this MoU, each of the parties will appoint a designated officer to meet for resolving such dispute or to negotiate for an adjustment to such provision.

6. Miscellaneous

Modification of MoU: Except the above mentioned professional activities, this MoU should be modified only by the signed authorities of both the parties.

Financial Terms: This MoU shall not give rise to any financial obligation by one party to the other.
