Policy on Divyangjan

Improving the lives of people with disabilities in order to guarantee their involvement in society and in educational Institutions.

- Supporting the inclusion and participation of the College's differently abled Students in the learning process by helping them overcome obstacles related to learning, writing, reading, and communicating effectively with the aid of assistive technology-related tools, software support, and services.
- Giving College Staff members the necessary training so they can assist Students with special needs and use technology with their Students in an efficient manner.
- Enhancing the lives of the differently abled community and thus ensuring their participation in the society and in educational systems.
- Assisting the differently abled Students in the College by helping them overcome the issues with learning, writing, and reading and communicating effectively with the help of assistive technology related tools, software support and services, thereby fostering their inclusion and participation in the learning process.
- Providing appropriate training to the Staffs in the College on how to support Students with special needs and how to use the technology effectively with their Students.
- SVCET guarantees equal access to all educational resources, including visual and auditory information supplied as part of the teaching and learning process, in order to promote inclusion and participation as well as enhance the educational experience of Students with varying abilities.
- The institute makes sure that, at all times during College business hours, the individuals with disabilities can access and utilize the services and support related to assistive technology.

The Institution follows the forthcoming steps for people with disabilities:

1. Students with disabilities are given equal opportunities without any discrimination.
2. The software NVDA has been installed in the library in order to help the Students with disabilities.
3. Liberty is given to Students with disabilities such that they have a good environment.
4. The Institute makes proper arrangements for Students with disabilities to write their examination.
5. Proper infrastructure facilities like ramp and lift have been provided in the campus.
6. There is also provision for sports in the campus.
