Eaton Garnishing Talent Program:

The Eaton Foundation, in partnership with CII, has introduced the Eaton Garnishing Talent Program, specifically targeting engineering students from affiliated colleges. This program focuses on enhancing individual and professional skills. We selected a diverse group of ten students from different academic years to participate in this exclusive initiative. Conducted over the course of five Saturdays, the program offered an intensive learning opportunity. Our students reported significant gains in knowledge and skills from this unique educational experience.

Puducherry HR Summit (PHRS):

Mrs. Lalitha, the Head of HR, and Mr. Anandharaj, the Placement Officer, attended the Puducherry HR Summit (PHRS), organized by CII, at Hotel Sunway Manor in Puducherry on January 10th, 2024. The event featured a series of engaging panel discussions led by industry experts, providing deeper insights beyond just theoretical knowledge. The panelists shared their unique experiences and perspectives, offering new and detailed information. We were fortunate to hear from eminent figures from both the industry and government sectors who shared their expertise on various topics such as skill development, best HR practices, crisis management, and fostering an inclusive organizational culture. Each session was intellectually stimulating and thought-provoking.

Orientation session on "Pudhuvai Start Up Sprint":

"Pudhuvai Start Up Sprint". This event is organized by the Srivenkateshwaraa College of Engineering & Technology in association with ATAL Incubation Centre-Pondicherry Engineering College Foundation (AIC-PECF). The session features two resource persons: Mr. Kameswaran Swaminathan, the Incubation Manager at AIC-PECF, and Mr. Vishnu Varadan, the Chief Executive Officer at AIC-PECF. The event is scheduled to take place on the 21st of March, 2023, at the Seminar Hall, 4th Floor, SVCET, starting from 11:00 am onwards. Each session was a catalyst for intellectual engagement and deep reflection.

CII Puducherry - innovation Contest:

The Confederation of Indian Industry in Puducherry, in collaboration with the local government and the Atal Incubation Centre at Pondicherry Engineering College Foundation, is set to host the Third annual Innovation Contest in October 30.

This contest aims to create an optimal environment for students and emerging entrepreneurs in Puducherry to display their creative concepts, initial proofs of concept, and prototypes. Structured in three distinct phases, the competition is designed to cultivate the entrepreneurial spirit among students by guiding their innovative ideas toward the development of viable business models. It also provides a conducive stage for them to engage with the right audience and elevate their startups.

A notable satge – I participation of 40 teams has been recorded for this event, with 3 of these teams representing SVCET.

The one-week Bootcamp at the Atal Incubation Centre, PTU, Puducherry, provided a significant opportunity for the students interested in entrepreneurship. Under the guidance of Dr. B. Magimai Raj, students participating in this boot camp and gained the valuable knowledge about startup activities and entrepreneurship.

Fourth Edition of the CII Puducherry Start Up Summit event is to take place on the 2nd of February 2024, a Friday, at the esteemed Hotel Accord in Puducherry. In addition to a rich schedule of discussions on innovation, fundraising, and the role of incubators, the summit will also serve as the platform for announcing the results of the Innovation Contest 2023.

One-day visit to UMAGINE TN-20 24 EXPO, Chennai Trade Centre, Nandambakkam, Chennai on 23/02/2024 (Friday)

On February 23, 2024, Students visited the UMAGINE TN-20 24 EXPO at the Chennai Trade Centre in Nandambakkam, Chennai. The expo showcased new technologies and ideas. Students explored exhibits about things like eco-friendly energy and advanced healthcare. They talked to experts and made new connections. The expo inspired them and made them hopeful for the future.
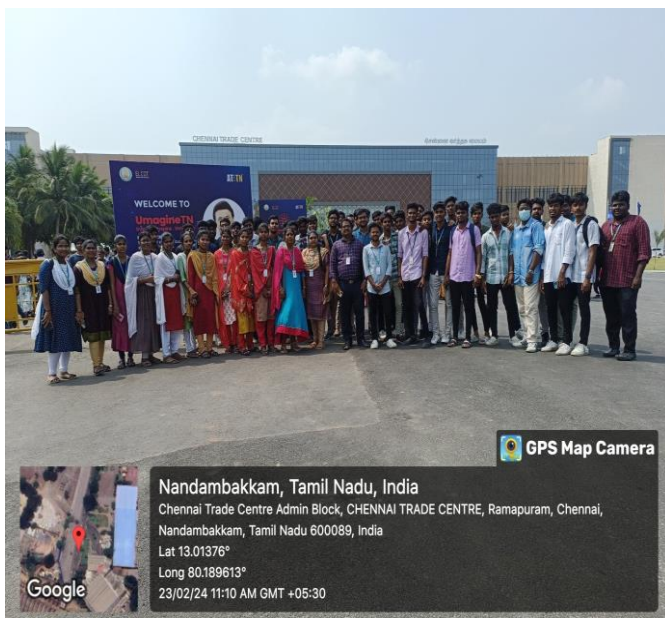

Womens' Day Celebration on 8-3-2023:

Every year, people around the world commemorate International Women's Day. Women's Day celebration was held on Wednesday, March 8, at the Ariyur Sri Venkateswara College of Engineering and Technology, Puducherry. On the occasion of the festival, to stimulate the spirit of entrepreneurship and enthusiasm among the women in the surrounding villages, the Women's Empowerment cell of the college organized a training program on making various types of handicrafts using coconut shells. Mr.N.Rajasekaran B.F.A resource person for the training, clearly taught how to make ornaments, decorative items, household items, bowls, mugs, tea cups, cups, pen stands, lampshades, cups. Overall the program aims to create a supportive environment for women entrepreneurs,empowering them to succeed and contribute to the economic growth of their comunities.

Shri. B. Ramachandran, chairman ,SVGI , directed the event. Mr. R. Rajeev Krishna Managing Director ,SVGI and Dr. B..Vidya Chief Operating Officer were the guests of honor. Dr. S. Pradeep Devaneyan ,Principal and Dr. K.B. Jayaraman ,Dean felicitated over the function. Arrangements for the function were made by Mrs. V.Anbukarasi and her team .We believe that celebrating and empowering women is crucial to have a better world. Overall it was a successful day of celebrating women and raising awareness about the challenges they face.We hope this year's international women's day will serve as a reminder that we all have the responsibility to work towards a more inclusive and equitable society.
