IQAC ANNUAL REPORT (2023-2024)

IQAC ANNUAL REPORT (2023-2024)

VISION

- Our vision is to impart the highest quality of Technical Education, provide impetus to Research and Development, foster innovation in the technological growth, encourage entrepreneurship and strive to solve problems of mankind.

MISSION

- Aiming high quality training to students through education so as to provide qualified human resources appropriate to the society of this region and National needs.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

In order to Assess, Plan, and Oversee a variety of activities that are essential to maintaining and improving the quality of education offered and that are also explicitly stated in the institution's quality policy, the IQAC was established in the academic year 2022. The primary goals of IQAC are the Quality Improvement of Teaching, Learning, Assessment, Research, Extension, and Consulting Opportunities. The National Assessment and Accreditation Council's (NAAC) standards are followed by the Internal Quality Assurance Cell (IQAC), which meets on a regular basis to evaluate the institution's advancement and quality improvement. In addition, the IQAC reviews and suggests measures to raise the calibre of academic programmes on an ongoing basis.

FUNCTIONS AND RESPONSIBILITIES OF IQAC

- IQAC bears the responsibility of formulating and implementing quality standards and guidelines for diverse administrative and academic operations conducted inside the establishment. This entails establishing guidelines for research, infrastructure, student services, academic programmes, and other areas.
- One essential duty of IQAC is gathering input from stakeholders, such as staff, instructors, and students. It makes the required adjustments after using this feedback to determine what needs to be improved.
- IQAC has the potential to support staff and faculty development initiatives aimed at improving their skills, knowledge, and methods of instruction. This raises the standard of schooling as a whole.
- One of the main responsibilities of IQAC is to promote and assist innovation and research. It might make it easier to finance research, work with businesses, and share the results of that work.
- Another duty is to guarantee students' assistance and well-being. To improve the student experience, IQAC can endeavor to increase career advising, counselling services, and other support systems.
- In order to establish a connection between the institution and the local community and tackle social concerns through research and education, IQAC could support outreach and community engagement programmes.
- It is imperative to keep track of all quality-related activities, evaluations, and projects. IQAC guarantees the appropriate management and accessibility of pertinent documents.

- Working together with the leadership of the institution to create and carry out a strategic plan aimed at improving overall quality.

STRATEGIES

IQAC SHALL EVOLVE MECHANISMS AND PROCEDURES FOR:

- It is recommended that IQAC establish benchmarks and standards of quality for different academic and administrative operations conducted in the institution. These benchmarks function as points of reference for evaluating and raising the calibre of these endeavors.
- Establish protocols for methodically gathering input from relevant parties, such as employers, employees, instructors, and students. This input aids in pinpointing areas in need of development.
- Establish procedures for gathering, analyzing, and interpreting data in order to evaluate the institution's performance. Academic, financial, and other pertinent indicators are examples of this.
- Establish a method for routinely reviewing and tracking the advancement of action plans. This guarantees that the organization stays on course and makes the required modifications as needed.
- Establish protocols that encourage and assist the institution's research and innovation endeavors, encompassing grant application procedures and cooperation with other entities.
- Integrate sustainability measures into quality assurance methods, such as environmental impact assessment and resource optimization.

BENEFITS
IQAC drive

- The primary role of IQAC is to enhance the quality of education and Institutional processes. It helps institutions identify areas that need improvement and works on implementing necessary changes to raise the overall quality of education and services.
- Assure increased concentration and clarity in institutional operations that will improve quality.
- Make sure the institution's varied activities are improved and coordinated.
- Assemble internalization of the quality culture.
