Dear Sir,

Congratulations – your institute has been approved as an AWS academy.

As a next step you need to complete the following steps

1. Accept the Terms and Conditions as the Central Point of Contact with the login credentials that you would have received in your email (mail would have been received at < research@svcet.ac.in>)
2. Appoint educators that you had shared in the note and have them accept the Program guide – see attached snap for AWS Academy Foundation Level curriculum – nominate for this curriculum only currently unless you have instructors certified for advanced curriculum. Also chose English only as the preferred language.
3. Ask your educators to complete the mandatory online module that has been designated to them
4. Run one complete batch of students
5. Post this your academy gets listed on the AWS Global Web site

Ping for any clarifications

Regards,

Partnership approval mail copy between AWS Academy and SVCET.

Dear Sir,

As discussed over the phone, we have planned to conduct the training from **19th Sep(Monday) to 24th Sep 2022(Saturday)- 6 days(36 hours) with assessment** and below are the details.

ECE(III & IV) year - 32 students - VLSI Training
EEE(III & IV) year & BME(III & IV) year - 84 students - Embedded Training.

Budget we have got approved is Rs 1500/- per student as we discussed earlier. Kindly acknowledge the same and share with us the schedule and requirements from your end. We would be needing **3 trainers- 1 for VLSI and 2 for Embedded.** Please send their details too so that we will plan for their accommodation and food. Thank you.

Warm Regards,
J. Anandharaj | Placement Officer
