## **Library as Learning Resource**

Library is automated using In Integrated Library Management System (ILMS)

Modernlib Software Using in our Library for Circulation Control of Book issue and return Entry . Online Public Access Catalogue with Title and Book search general Books reports in Accession number /Title/Author/publisher wise . Additionally to track the books in the Library. Books are classified author, subject and publisher. In our Library Books are classified through DEWEY DECIMAL CLASSIFICATION METHOD” and neatly arranged with help of this classification method in the Books Shelf. So that It is very easy accessibility . The catalogue that is OPAC system used to help the user to book search and easy to go and take the books. So that its very easy accessible. The strong features of catalogue module are 1.Allows user generated customized reports.2. Facilitates authority database of person name 3.corporate body , subject headings and series name 4. Master database of publishers scanning technology. Library is using systems application and product software for Library Automation and has implemented barcoded scanning. All the books are Barcoded Barcode Laser scanner is used in circulation counter for books transaction and also barcode scanner is used for the Gate entry register

Barcode generated and printed in the student Id card. This is very useful to save the time of the user.

Dear Ms. Santhalakshmi,

We acknowledge with thanks the receipt of ₹ 93,570 (₹ Ninety Three Thousand Five Hundred Seventy only) vide cheque no. 763350 dated 8.3.2024 made towards the DELNET Annual Institutional Membership Fee for the period 28.3.2024 to 27.3.2025 and Annual Subscription charges of IESTC- InfoTrac Engineering Science and Technology Collection of E-journals package of Gale Cengage for the year 2024-25 of DELNET Consortium. The receipt no. 80135 dated 27.3.2024 is enclosed for the office records.

You are requested to access DELNET databases through the World Wide Web using the following procedure:

Web Address: <http://www.delnet.in>

Kindly click onto "New Discovery Portal". Since the IP address provided by you is registered with us, you should be able to open the landing page without login prompt. Please let us know if you encounter any difficulty.

We are also glad to provide the following login & password for accessing DELNET remote:

Login : pnsvcet  
Password : svc5112

Kindly note your Inter Library Loan (ILL for Books) Password is "pnsvcetlib" to be used while registering a request. You are also welcome to send us the bibliographical references at [sangs@delnet.ren.nic.in](mailto:sangs@delnet.ren.nic.in), [sangskaul2003@yahoo.co.in](mailto:sangskaul2003@yahoo.co.in) for the resources needed by you. We will try our best to locate these resources. We would like to inform you that DELNET has launched WEBVIEW Youtube channel which contains a large number of video recordings of Webinars organised by DELNET including sessions on DELNET resources and services. The link is available at the Discovery Portal. We would further like to inform you that Usage Report can be generated through "USAGE STATISTICS" link which appears at the top side of the landing page of the discovery portal. Kindly use the password as 5112\*\*\*1992 to download the pdf, containing usage report of your institution.

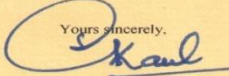

I would like to mention that DELNET provides access to more than 38 crore catalogue records of books, journals, articles, etc. through Discovery Portal and also more than one crore and fifty lakh full-text e-books, e-journals & e-articles through Knowledge Gainer Portal. We are pleased to inform you that DELNET has also recently launched VISION Portal which contains Video Recordings of Lectures on varied subjects. We request you to kindly contribute the video lectures of the Faculty Members of your Institution. Kindly contact us for further assistance. DELNET also provides Delplus software free of charge for library automation purpose. DELNET Guest House facility at New Delhi can also be availed by member-libraries on payment basis. Also, we are pleased to inform you that DELNET has developed DELDreSS Portal exclusively for Schools, which is of great relevance to the School students, teachers and administrators.

We would also like to mention that DELNET offers DrillBit software for plagiarism detection for an annual subscription of Rs 48,000 (inclusive of GST) for 300 documents checking.

I would also like to inform you that DELNET shall be glad to organise a one hour webinar on DELNET Networked Resources and Services at a mutually convenient date and time for the students, faculty, researchers and scholars of "Sri Venkateshwarraa College of Engineering & Technology, Puducherry". It will help in the effective utilisation of DELNET resources and services.

I am enclosing a poster on DELNET and a Certificate of Membership. Please kindly let us know if you wish to get any books on ILL or the journal articles.

With kind regards,

Yours sincerely,
