

## 5.9 Visiting, Adjunct, and Emeritus Faculty at the CSE Department

The CSE Department at Sri Venkateshwaraa College of Engineering & Technology actively engages with Visiting and Adjunct Faculty to enhance academic excellence, research collaborations, and industry exposure for students and faculty members. These distinguished faculty members bring expertise from academia, research institutions, and industries, enriching the learning experience and aligning the department with global standards.

### 1. Visiting Faculty

#### Role & Contributions:

Visiting faculty members are experts from Premier universities or industry professionals who deliver guest lectures and workshops.

- Organized in emerging domains like Web Development, Block chain, and Cyber security.
- Encouraging students in research projects, patents, and technical publications.

#### Recent Visiting Faculty Members:

- Dr. M.Thirumaran, Professor at PTU – Conducted a Guest Lecture.

## 2. Adjunct Faculty

### Role & Contributions:

Adjunct faculty are industry experts, senior academicians, and domain specialists who are associated with the department on a long-term basis (one or more semesters).

- Mentor faculty and students on industry-aligned research topics.
- Provide guidance for funded research proposals (AICTE).
- Support skill development programs, industry collaborations and internships.

### Current Adjunct Faculty Members:

- Mr.Sivaprakash, Master trainer in Terv– Teaching Web Development.

### 3. Impact & Benefits of Engaging External Faculty

- **Enhanced Learning Experience:** Students gain real-world insights from industry and research experts.
- **Stronger Industry-Academia Linkage:** Better opportunities for internships, placements, and collaborative projects.
- **Research & Innovation Boost:** Faculty and students get guidance on high-impact research and publications.
- **Global Exposure:** Collaboration with top institutions and corporate organizations worldwide.

The integration of Visiting and Adjunct faculty significantly enhances academic excellence, industry collaboration, and research innovation in the CSE Department. Their expertise bridges the gap between academia and industry, ensuring students and faculty stay updated with cutting-edge technologies and global trends.

REPORT

**Academic Year: 2022-2023**

**Department: CSE, MECH, EEE, ECE, BME**

**Trainer Name: Mr. Thameem Ahamed H**

**Name Of The Program: Soft Skills**

This Soft skills training is training that focuses on the development of abilities such as communication, teamwork and problem solving as opposed to hard skills which focus on an employee's technical ability.

About students of I year students were registered and attended a six-day soft skills training that spanned from 11-07-21 to 16-07-2022, and the results were truly transformative. The course is planned for 12 sessions. Topics covered in those 6 days were given below:

**Day 1: Team work and Team building & time management:** They were conduct regular team-building activities and workshops. They had teaches that time management is crucial for meeting deadlines, reducing stress, and achieving work-life balance

**Day 2: Presentation skills & Public speaking-** Develop participants' confidence in public speaking. Enhance participants' ability to structure and organize presentations effectively.

**Day 3: Creative problem solving & Interpersonal skills-** To develop participants' creative problem-solving skills. To enhance participants' interpersonal communication and relationship-building skills and also foster a collaborative and innovative work environment.

**Day 4: Stress management, Goal setting and Getting things done-** They assisted participants in setting clear and achievable goals. To teach participants effective time management and productivity improvement techniques. To encourage participants to apply the learned concepts in their personal and professional lives.

**Day 5: Body language skills & Organizational skills-** To enhance participants' understanding of body language and its significance in effective communication. And equip participants with practical skills to improve their organizational abilities and time management.

**Day 6: Work ethic & Emotional Intelligence-** they conducted some program which was In-person and virtual training sessions, Expert facilitators and trainers, Case studies and real-life scenarios, Group activities and discussions. Self-assessment tools and resource

**STUDENT'S FEEDBACK**

Name of the Program: *Soft Skills*

Academic Yr: *22-23*

Students Name: *Rithiga J*

Yr/Sem: *II/IV*

Training Date: *17-7-22*

Dept.: *CSE*

Thank you for taking the time to provide us with your feedback. We value your input and strive to continuously improve our training programs.

Please take a few minutes to complete the following feedback form:

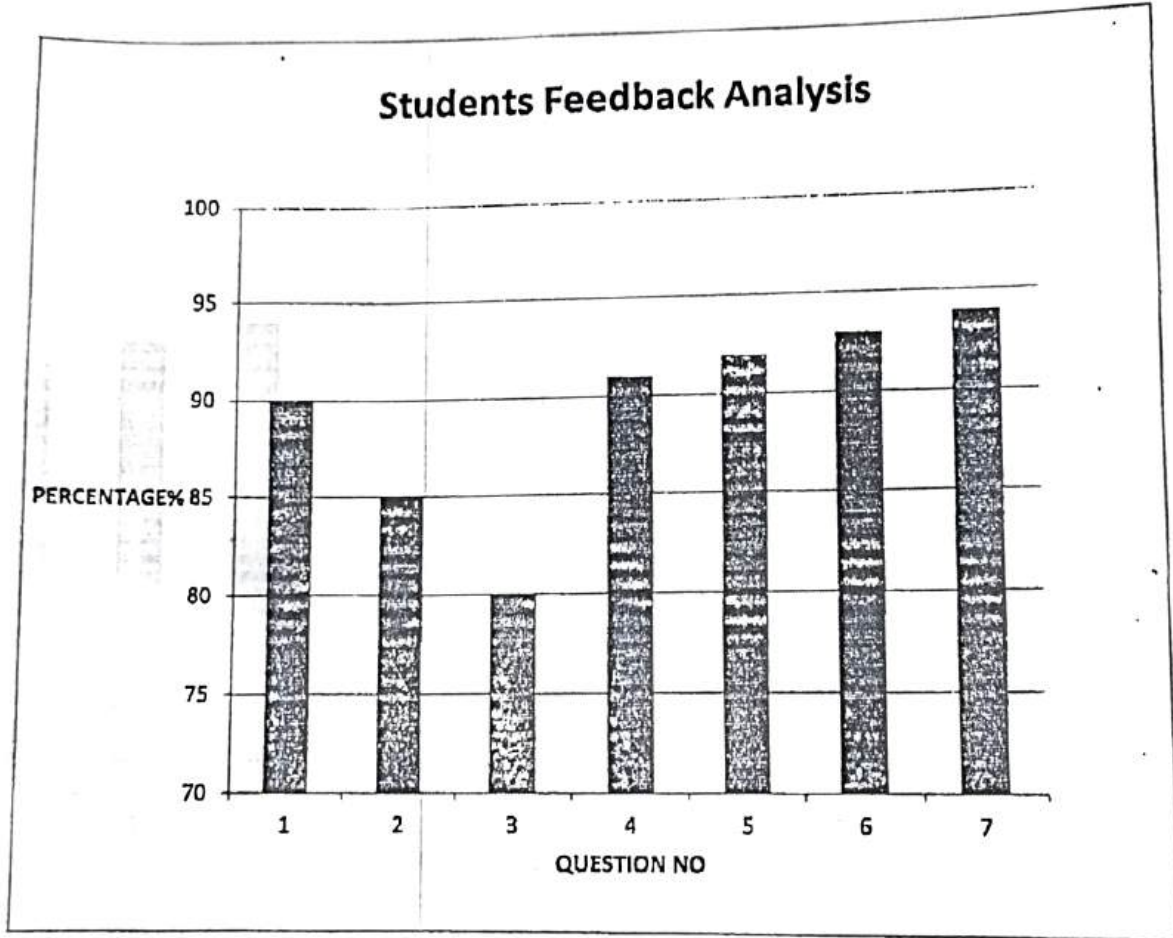

1. The training meets your expectations.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
2. The trainer's knowledge and expertise on the subject matter was up to the mark.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
3. The trainer's communication skills were excellent.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
4. The trainer's ability to engage and involve the participants was excellent.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
5. The training material organized and easy to follow.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
6. The training provided you with the necessary skills and knowledge to perform more effectively.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
7. Additional comments or suggestions for improvement: *Nothing*

Thank you for your time and input. We appreciate your feedback and look forward to hearing from you again.

**REPORT**

**Academic Year:**2022-2023  
**Department:**CSE,MECH,BME,EEE,ECE  
**Trainer Name:** Mr. Victor, Ms. Steffi  
**Name Of The Program:**Language Skills

This Language skills are communication skills that help you convey your ideas with clarity and precision. Not only do you learn to speak well but also listen attentively. Writing clearly with brevity is another skill that's considered crucial in a professional setting. About 122 students of III year students were registered and attended a six-day language skills training that spanned from 9-07-2022-14-07-2022, and the results were truly transformative. The course is planned for 12 sessions. Topics covered in those 6 days were given below:

**Day 1: Verbal Communication** –they have covered a topic like engaging in discussions, delivering speeches, participating in interviews, exchanging ideas in meetings, or even making phone calls to communicate with others. **Email Writing**- they have covered a topic like Email Expressing Your Appreciation, Email about Your Trip, Email on Seeking Information Regarding Course Details.

**Day 2: Error Correction & Auxillary ,Tenses And Analoges** - The task of correcting various types of errors in text, such as spelling, punctuation, grammatical, and word choice errors and also covered basic of preposition, conjunction, verbs etc.,

**Day3: Letter Series & Listening ,Importance Of English**- They have discussed about alphanumeric, positional series, and continuous pattern series and vocabulary, grammatical structures, intonation, accent and our own interpretation for listening skill

**Day 4: Ice Break Session**-they have conducted the fun activities to help people get to know one another & **Use Of Moral Verb** how to express possibility, ability, permission, or necessity

**Day 5: Knowledge Box & One-One Speaking Session**- Each student have given *one* minute to speak and to check their vocabulary and knowledge of English grammar.

**Day 6 :7c's Communication**-list of principles for written and spoken communications to ensure that they are effective. The seven C's are: clear, correct, complete, concrete, concise, considered and courteous.

STUDENT'S FEEDBACK

Name of the Program: Language skill  
Students Name: Kishor . G  
Training Date: 16/07/2022

Academic Yr: 22 - 23  
Yr/Sem: III / V  
Dept.: Mech.

Thank you for taking the time to provide us with your feedback. We value your input and strive to continuously improve our training programs.

Please take a few minutes to complete the following feedback form:

- The training meets your expectations.  
 Strongly Agree  Agree  Disagree  Strongly Disagree
- The trainer's knowledge and expertise on the subject matter was up to the mark.  
 Strongly Agree  Agree  Disagree  Strongly Disagree
- The trainer's communication skills were excellent.  
 Strongly Agree  Agree  Disagree  Strongly Disagree
- The trainer's ability to engage and involve the participants was excellent.  
 Strongly Agree  Agree  Disagree  Strongly Disagree
- The training material organized and easy to follow.  
 Strongly Agree  Agree  Disagree  Strongly Disagree
- The training provided you with the necessary skills and knowledge to perform more effectively.  
 Strongly Agree  Agree  Disagree  Strongly Disagree
- Additional comments or suggestions for improvement: No.

Thank you for your time and input. We appreciate your feedback and look forward to hearing from you again.

## REPORT

**Academic Year:** 2022-2023

**Department:** CSE, MECH, BME, EEE, ECE

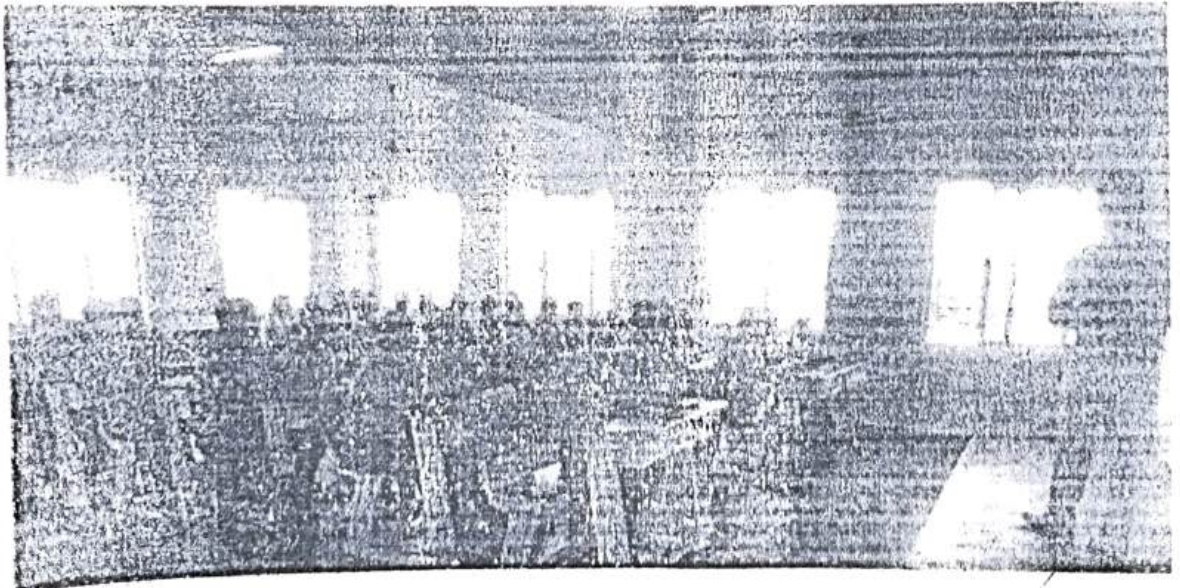

**Trainer Name:** Mr. Venkadesh

**Name Of The Program:** Technical Training-Artificial Intelligence

The Artificial Intelligence (AI) Training Program for students was conducted over a span of three days, from September 26th-28th, 2022. The program aimed to provide students with a comprehensive understanding of AI concepts, its applications, and hands-on experience in AI development.

### **Day 1: Introduction to Artificial Intelligence**

- **Session 1: Welcome and Orientation**
  - ◆ The program commenced with a warm welcome and an overview of the training objectives.
  - ◆ Participants were introduced to the trainers and fellow students.
- **Session 2: Understanding AI Fundamentals**
  - ◆ Covered the basics of AI, machine learning, and deep learning.
  - ◆ Explained the differences between AI, ML, and DL with real-world examples.
  - ◆ Discussed the importance of AI in various industries.
- **Session 3: AI Applications**
  - ◆ Explored real-world applications of AI in healthcare, finance, autonomous vehicles, and more.
  - ◆ Highlighted AI's impact on society and the global economy.

**DAY 2 FN SESSION PHOTO IN BME SEMINAR HALL.**

**PRINCIPAL**  
SRIVENKATESHWARA COLLEGE OF  
ENGINEERING & TECHNOLOGY  
ARIYUR, PUDUCHERRY - 605 102.

**Day 2: Hands-on AI Development**

**Session 4: Python for AI**

- ◆ Introduced Python programming language as the primary tool for AI development.
- ◆ Covered basic Python syntax and data structures.
- ◆ Hands-on coding exercises to reinforce learning.

**Session 5: Machine Learning Basics**

- ◆ Discussed supervised and unsupervised learning.
- ◆ Explored algorithms like linear regression and K-means clustering.
- ◆ Participants built and trained their first machine learning model.

**Day 3: Advanced AI Topics and Applications**

**Session 6: Deep Learning and Neural Networks**

- ◆ Introduced neural networks and deep learning concepts.
- ◆ Explained the architecture of a basic neural network.
- ◆ Demonstrated training a neural network using TensorFlow/Keras.

**Session 7: Natural Language Processing (NLP)**

- ◆ Covered NLP basics and its applications.
- ◆ Demonstrated how to build a sentiment analysis model.
- ◆ Participants engaged in a hands-on NLP project.

Academic Yr: 2020 / 2021

Students Name: Ravithra.C

Yr/Sem: IV / VII

Training Date: 28/9/22

Dept.: CSE

Thank you for taking the time to provide us with your feedback. We value your input and strive to continuously improve our training programs.

Please take a few minutes to complete the following feedback form:

1. The training meets your expectations.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
2. The trainer's knowledge and expertise on the subject matter was up to the mark.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
3. The trainer's communication skills were excellent.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
4. The trainer's ability to engage and involve the participants was excellent.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
5. The training material organized and easy to follow.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
6. The training provided you with the necessary skills and knowledge to perform more effectively.  
 Strongly Agree     Agree     Disagree     Strongly Disagree
7. Additional comments or suggestions for improvement:  
No needed.

Thank you for your time and input. We appreciate your feedback and look forward to hearing from you again.

**No.of Participants Benefited: 218**

*"Techniques to Crack SSC Competitive Examination" for Final Year Students of all the Departments on 18.08.2022 & 19.08.2022.*

A Two days program on "Techniques to Crack SSC Competitive Examination" for Final Year Students of all the Departments was conducted on 18.08.2022 & 19.08.2022 by Training and Placement Cell.

The Resource Person Mr. Thirumurugan, addressed the Students that Preparing for the Staff Selection Commission (SSC) examination is a crucial step towards securing Government job opportunities in India. The SSC conducts various examinations for recruitment to different posts in Government departments and ministries. He also stated that to excel in these examinations, candidates should undergo comprehensive training as these examinations are highly competitive and require comprehensive preparation and effective strategies to succeed.

The program covered various aspects such as exam structure, study strategies, time management, and effective Preparation techniques.

**No.of Participants Benefited: 119**

*"Awareness Program on "Exploring opportunities beyond your Local Area" for II Year Students of all the Departments on 28.07.2023*

The Awareness Program on "Exploring Opportunities beyond Your Local Area" was organized by Training and Placement Cell on 28.07.2023 aims to inform and inspire individuals about the benefits and possibilities of seeking opportunities beyond their immediate geographic location., In an increasingly interconnected world, the program seeks to expand participants' horizons and encourage them to consider options, both educational and professional, in different regions or countries.

The Resource Person Mr. Sanjay, designed the program to enlighten participants about the advantages of educational and professional opportunities beyond their geographic boundaries. It empowered the students to broaden perspectives, encourage global thinking, and inspire individuals to explore diverse opportunities.
