

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

### 7.4 Improvement in the quality of students admitted to the program (10)

The department of Computer Science and Engineering was established in the year 2014. The sheer hard work and enthusiasm of the faculty and students of the department has helped in making it one of the best departments on campus. The department believes in serious academic pursuit and encourages radical thinking. The continuous improvement in cut off marks assures the quality of students admitted as shown in table 7.4.1.

The department maintains the norms prescribed by the AICTE. Student faculty ratio is maintained at 15:1 and faculty cadre ratio is maintained as per the norms. The department possesses the attractive infrastructure and well-equipped laboratories that facilitate the students to pursue their studies beyond the curriculum specified and expose them to R&D activities. The department has DBMS Laboratory, OS Laboratory and Hardware Laboratory.

The department has well qualified and experienced faculty members specialized in diversified domains such as Artificial Intelligence and Machine Learning, Data Science, Cyber Security, Internet of Things (IoT), Cloud Computing, Software Engineering and DevOps. They eagerly participated in various workshops, seminars, FDPs and published their research papers in various Journals and conferences at National and International levels.

The students are motivated to participate in various co-curricular and extra-curricular events. The students have won many laurels in state and national level events.

The department frequently organizes guest lectures, workshops and seminars in association with various industrial experts for the benefit of students towards the latest technological developments across the world. The continuous improvement in admission is depicted.
