NSS Activities

26.09.2024

As part of the Swachh Bharat Mission, the NSS Unit of Sri Venkateshwaraa College of Engineering and Technology (SVCET) organized a **Swachhata Hi Seva Poster Designing Competition on 26th September 2024**. This creative initiative aimed to engage NSS volunteers in spreading awareness about cleanliness and hygiene through artistic expression.

The primary objective of the competition was to inspire students to think creatively about the theme of cleanliness and its significance in society. It also aimed to raise awareness about Swachhata and encourage participants to use visual art as a tool for advocacy, spreading the message of a clean and green environment.

NSS volunteers participated enthusiastically in the competition, with over **50 students** taking part. The theme for the competition was **"Clean India, Green India"**, and participants were given two hours to design their posters. The program was commenced and felicitated by our Beloved principal, Dr. S. Pradeep Devaneyan. The same is assisted and supported by more faculties from our college.

NSS Activities

27.09.2024

As part of the Swachhata Hi Seva 2024 campaign, the NSS Unit of Sri Venkateshwaraa College of Engineering and Technology (SVCET) organized a temple cleaning activity at Perumal Temple and Amman Temple in Pangur on 27th September 2024. This event was a community-driven initiative to promote cleanliness in religious and cultural spaces, reinforcing the idea that temples, like other public spaces, deserve to be clean and well-maintained.

The objective of the activity was to clean the premises of both temples, ensuring a hygienic environment for devotees. Additionally, the activity aimed to instill a sense of responsibility among NSS volunteers and encourage them to lead by example in their efforts to contribute to the community's well-being.

The **Swachhata Hi Seva 2024 Temple Cleaning Activity** was a resounding success, with 50 NSS volunteers actively participating in the forenoon session. The program was commenced and felicitated by our Beloved principal, Dr. S. Pradeep Devaneyan. The same is assisted and supported by more faculties from our college.

NSS Activities

28.09.2024

As part of the national "Swachhata Hi Seva 2024" initiative, a **Mega Rally was organized on 28th September 2024 in Villianur**, Puducherry. The rally aimed to promote awareness about cleanliness, hygiene, and the importance of proper waste management in both urban and rural areas. The event was conducted during the forenoon (FN) session, with active participation from 200 students, NSS volunteers, and faculty members from **Sri Venkatteshwaraa College of Engineering and Technology, Ariyur, Puducherry**

The rally was flagged off at 10.00 AM from Villinur Traffic Police station by Station Senior officers, in the presence of Vice Principal Dr K.B. Jayaraman. The participants carried placards with slogans like "Clean India, Green India," "Say No to Plastic," and "Swachhata is Everyone's Responsibility."

The rally moved through the main streets of Villianur, covering key areas. The rally had a significant impact, motivating the local community to maintain a clean and healthy environment.

      As part of the "Swachhata Hi Seva 2024" campaign, a **Mega Beach Cleaning Activity was conducted on 2nd October 2024** at Pondicherry's iconic Rock Beach in coordination with the State NSS Cell. The event, which took place in the forenoon (FN) session, involved the active participation of 50 NSS volunteers from SVCET and faculty members.

      This initiative was organized in observance of Gandhi Jayanti and in support of the Swachh Bharat Mission, with a special focus on cleaning public beaches and promoting environmental awareness. The program was initiated by chief secretary from Delhi in the presence of the beloved principal, Dr. S. Pradeep Devaneyan.

      The beach cleaning activity resulted in the removal of a significant amount of waste from Rock Beach, visibly improving the cleanliness of the area. The event not only made an immediate environmental impact but also raised awareness among local residents, tourists, and the general public about the importance of maintaining clean beaches.
