

SRIVENKATESHWARAA COLLEGE OF ENGINEERING AND TECHNOLOGY, ARIYUR, PUDUCHERRY

ABOUT THE COLLEGE

Sri Venkateshwaraa College of Engineering and Technology (SVCET), Puducherry is a rapidly emerging center of academic distinction and innovation, established in 2014 under the reputed Sri Venkateshwaraa Group of Institutions. Affiliated with Pondicherry University and approved by AICTE, SVCET has earned NAAC 'A' Grade accreditation and ISO certification, reflecting its dedication to quality and excellence.

With seven B.Tech programs and a thriving MBA program introduced in 2022, the college emphasizes experiential learning, industry integration, and leadership development. The use of ICT-enabled smart classrooms, e-learning tools, and simulation labs ensures future-ready education. The MBA curriculum is enriched through field visits, live projects, and leadership talks, bridging the gap between academia and industry.

Nationally recognized, SVCET ranks 5th among private engineering colleges in Tamil Nadu & Puducherry and 40th across India in the 2024 Times Ranking. It has also won the AICTE-Eduskills Best Institute Award for three consecutive years. SVCET fosters innovation through initiatives like Toycathon, Smart India Hackathon, and the AICTE-funded IDEA Lab, which supports design thinking and prototyping.
